Offstreet Parking Needed For Churches

Rice Property Shopping Center Before Planners

In applying for the proposed commercial and R-3 zoning of the Henry Y. Rice property for a shopping center on Winchester Road near Hamilton avenue, on Thursday night, J. M. McKiernan representing the Clayton Company, developers, cited numerous needs it would serve. He said that the close proximity to the existing downtown area of Campbell will aid the area in its rejuvenation and in so doing establish a better and more stable tax base for the city. Continuing he said:

"Within a one mile radius as a consideration of the buying area there is no other shopping center at this time or contemplated, that will provide all the services and the parking area.

"There are approximately 4,700 families now within this one mile radius and by 1957 if the growth continues only at two third of its present rate, there will be 5600 families in the basic area.

"Santa Clara County Planning Department sets $4,200 as average family income in this area and of this sum $1,050 can be expected to be spent in the neighborhood shopping center.

"The 4,700 families each spending $1050 would provide a shopping power of $4,935,000 annually and by 1957 the total will be $5,880,000. It is the desire of the developers to provide all the basic needs of a neighborhood shopping center. It would have cumulated pull of a carefully selected group of stores, allow for all of a day's shopping in one place, and provide ample offstreet parking.

"The center will be at the corner of two streets permitting easy access. Public safety will be served due to the fact Route 5 Freeway will provide a natural barrier for this area to other proposed shopping centers.

"Abutting properties to the West are proposed for zoning R-3-S in order to set up a buffer between commercial and existing R-1 zoned areas. The site selected and its relation to other commercial sites is proper and reflects sound planning approaches. The precise zoning leaves complete architectural and development control in the hands of the commission."

McKiernan said his firm is developing the new shopping center in downtown Los Gatos and another in Irvington. They would buy the Rice property when rezoned and would agree to start construction within a fixed time.

Bert Simmons of 314 N. Winchester said he did not protest the project but would like to know if any precedent toward spot zoning was being set up. Planners advised such was not the intent and that each project was acted on its respective merits as presented.

The hearing was continued to October 21 following a meeting with city council.

The application of Ynez Archibald of 30 W. Campbell avenue for rezoning as commercial, his property opposite the high school "probably for a lunch counter" brought a storm of disapproval from neighbors in the block who contended it might lead to spot zoning and that papers might be littered among the nice home now on this block. The application was taken under advisement for two weeks.

Parking spaces for a car will have to be provided for every five seats in a church, Rev. Herbert Johnson, pastor of the Assembly of God Church, was advised on the hearing of his application to add facilities to the church building on Winchester Road, so more land may be needed if the permit is granted. The church now can seat 150, Rev. Johnson estimated. The hearing was continued until Oct. 21.

Rev. J. W. Bowen, pastor of the First Baptist Church at 81 N. First Street was also advised that additional parking space is needed if additions are made to the church building as proposed.

The commission approved the application to rezone from R-1 to commercial a 150-foot wide lot at Hamilton and Central for construction of a medical-dental building by Dr. Thomas McNiff, Dr. Frederick Snyder, Druggist Richard Salice and Dentist John Ziegler.

Planners classified as single family zoning the newly annexed Lewis H. Smith property, north of Hamilton avenue near Central.

WARD EDSINGER DIES SUDDENLY

Ward Edsinger of 522 Apricot Way was pronounced dead on arrival at O'Connor Hospital last Tuesday evening after collapsing in his home. He had complained of a few chest pains earlier in the afternoon and then gone back to work apparently recovered. A few minutes after his return from work he suddenly collapsed on the floor. His wife, Harriet, immediately called for an ambulance which arrived in a few minutes, but aid was too late. He was dead on arrival.

He had lived in Campbell for 12 years, and was foreman for the Nickleson Construction Company.

He is survived by his widow Harriet, and their six children, Karla, 17; Richard, 16, Roger, 13, Linda, 10, Jeffrey. 9, and Nancy 7, all of Campbell.

Funeral services will be Saturday, October 16, at 11:00 a. m. in the Darling, Fischer, and Krug Memorial Chapel, in Campbell with Dr. Corwin Olds of the Campbell Congregational Church officiating. Interment will be in Oak Hill Memorial Park.

BID OPENING TONIGHT FOR CAMDEN H.S.

Sealed bids are to be opened tonight for the construction of the new Camden High School at Camden and Union avenues when the Campbell High School Board meets at the High School. Work is scheduled to start within thirty days so as to be completed in time for Fall classes. The grading and clearing of land has already been completed.

At the board meeting Tuesday night, Oliver Jensen of Campbell was appointed building inspector for the project. The board confirmed appointment of Edward Stanley as director of adult education and hospital school education in the district.

The low bid of Gillig Bros. at Hayward was accepted for a 79-passenger bus, the bid cost being $14,600.

500 TURN OUT FOR ROSEMARY SCHOOL MEETING

An estimated 500 people overflowed the Rosemary Home and School Club's "Open House" held last Tuesday evening at which time Bernard Clark, president presented a budget, recommended by the executive board for the coming year, for approval.

Neal Royer introduced the special guests of the evening, Dr. Lydia Verberg, school doctor; Mrs. Marian Garrett, school nurse; and Mrs. Eda Belle Little, speech teacher. Mrs. Little explained the two aspects of the speech program are helping a class having difficulties with sounds and a clinic at the school to help children with special problems.

Tony Schraub Tells Rotary Of Sierras

"Across the High Sierra, By George", was the topic presented by Tony Schraub, student, and Al Smith, Agriculture instructor of Campbell High School, at the regular Monday luncheon of the Campbell Rotary Club.

Colored slides were shown of their 105 mile hike into Yosemite National Park and many interesting incidents concerning their trip were related. Of special interest were yarns pertaining to George, their reluctant mule, who they dragged most of the way across the mountains. During their 3 week trip, the two men stopped often for fishing and hunting.

Doc Arends introduced a new member, Johnny Johnson of 340 Shamrock Drive, who came to California in 1930 from Whitman, Arkansas. He is married, has two children, is Sales Engineer for Union Oil Company, and a member of the Masons and Elks.

Program chairman for the day was Cliff Cassiday.

SOME STORES TO REMAIN OPEN FOR FRIDAY NIGHTS

Starting Friday night of this week, a group of Campbell merchants will be open for business in the evening for the convenience of their customers. This announcemen was made by Bob Seligson, chairman of the merchants committee of the hamber of Commerce.

Businesses staying open Friday night are Campbell Variety, Helen's Juvenile Shop, Campbell Hardware, Rozanne Dress Shop and Cornet Store.

CHEER BROUGHT TO POLIO VICTIM BY CAMPBELL GIRLS

By Vivian Faulkner

A friendship, which began several years ago, between a young Polio victim and a group of eighth grade Camp Fire Girls, is still in full swing today. The girls now have all become Horizon Club members and are sophomores in Campbell High School.

At that time the group was on a conducted tour of the County Hospital with their leader, Mrs. Boyd Rappe, when they were introduced to Dick Miller, now 21 years old, who was confined to an Iron Lung.

Since service to others is part of the Camp Fire and Horizon Club program, the girls decided to make regular visits to Dick twice a month. With appropriate ceremonies, they made him an honorary "Camp Fire Boy" and member of their group, including him in their program when ever possible.

Several months ago Dick was sent to the home of his sister in Mt. View, taking with him his Iron Lung, rocking bed and his nurse, Mrs. Weatherby, whom the girls have nick-named "Stormy". This was done as a morale builder and also becouse he was able to do a certain kind of mouth breathing and help himself.

During the day he is in his rocking bed from about 11 a. m. until 7 or 8 p. m., at night he sleeps in the Iron Lung. So far the experiment is a success. Before leaving the hospital, Dick was completely paralyzed, and had been for the past four years. At the present time he has progressed to where he can move his head and arms a little.

Monday evening the Horizon Club visited Dick in his Mt. View home. This was strictly a social visit so that he could be informed of all the news of summer vacations, camping trips, auto trips, parties and group activities. It was a gay time with much laughter, fun and lots of noise. At the close of their visit, Dick told them he always enjoyed their visits and hoped they would return soon, and the girls promised they would visit him regularly once a month.

Making the trip Monday evening were Beverly Stuckey, Ellen Youngren, Florence Edwards, Gay Williamson, Pat Rappe, Joan Farley, Janet Meckler, Joanne Brusin, Suzanne Burrows and Yvonne Rappe. Mrs. Boyd Rappe, leader of the club, and Mr. and Mrs. Glenn Burrows furnished transportation for the girls.

CAMPBELL SCHOOL BOND ELECTION WON BY 78 PERCENT MAJORITY VOTE

The $950,000 bond election for the Campbell Union Elementary School District passed with a 78 per cent majority last Thursday, the vote being 2136 "yes" and 579 "no" votes with six votes voided.

A similar election last June was defeated as it failed to get the two-thirds majority.

First $49,000 of bond money will be put with $350,000 of state funds to erect new Monroe School. First unit of the school, which will include 12 classrooms, and two kindergarten rooms, will be constructed starting about Jan. 1. It will open in September, 1955.

Most of remaining funds will eventually be used to build additions to Dover, Cypress, Quito and Rosemary schools.

SPEED CONTROL ON L.G.-S.J. ROAD IS SOUGHT BY ASSEMBLYMAN ALLEN

Assemblyman Bruce Allen has written the Department of Public Works and State Highway Engineer seeking corrective measures for traffic at the Union Avenue and the Campbell avenue intersections with the Los Gatos-San Jose road.

"This problem has been taken care of at the intersection of Hamilton avenue and Los Gatos-San Jose Road and you have advised me more improvements are planned for the Moorpark intersection. The same problem exists at the intersection with Campbell avenue and I would appreciate your making a similar study at that intersection," the letter stated. The project seeks control of speed, traffic and pavement improvements.

LOS GATOS ELKS PARTY OCT. 23

The Annual Halloween Party of the Los Gatos Elks will be held Saturday, October 23, at 9:00 p. m. in the Elks Hall in Los Gatos. There will be dancing and refreshments. All Elks and friends are invited.

Co-chairmen are Doug Rose and Rus Baker. Members of their committee are Lloyd Clausen, Charles McCarthy, Frank McGraw, Frank Deugnan and Paul Grannis.

DEMOS TO MEET

Mountain Democratic Club will hold its regular monthly meeting Monday, October 18th, at 8:00 p. m. in the Lexington School, Los Gatos.

$5456 COLLECTED FOR COMMUNITY SERVICE FUND

First returns on the Community Service Fund drive revealed at a meeting Tuesday at the home of Mrs. L. W. Critchlow on Apricat Way that $5,456.42 of the $19,600 quota has been collected. All area chairmen report their returns incomplete.

There are nine local agencies to be benefitted. Collections are now under way in schools and should be completed next week, it was stated. The Campbell organization is to receive twenty percent of its collections added to from the County Community Chest.

Solicitors are in the field now and if anyone has not been contacted, his or her contribution may be sent to P. O. Box 756, Campbell, it was stated.

Councilmen To Attend League Of Cities Meet

Members of the Campbell city council expect to be among the 2000 other city officials at the 56th annual conference of the League of California Cities Oct. 17-20 at Los Angeles. Clarence E. Wagner, health board at Long Beach is president of the League and Councilman Charles Burgess of Menlo Park is vice-president.

The directorate is composed of one member from each of the ten functional departments and one from each of the 13 regional divisions. Officers of the Peninsula division are Mayor Richard Morton of Campbell, chairman, Mayor Paul Kelly of San Carlos and Donald McCrea, personnel director of San Jose.

The problem of local sales tax is to be a major topic at the conference next week. There are now 173 cities representing 85% of the total city population of California that levy local sales tax, estimated revenue in 1953-54 being $60 million.

City street deficiencies, annexation legislation, subdivisions, financing local improvements, traffic matters, refuse collection and disposal, off-street parking and smog are other subjects in panel discussions.

Judge Emery Has New Honors With Poultry Breeders

A. J. Emery, Master of Orchard City Grange was voted an honorary membership last Friday night in the Rare Fowl and Poultry Breeders Association at a meeting in the Oakland High School. An authority on genetics, Judge Emery has also been a member of the American Poultry Association for 42 years. Association headquarters is at Oklahoma City.

So Subdividers May Know Requirements

Campbell Ready To Set Up Drainage Standards

The City Council approved one application for annexation Monday evening, but took under advisement another, pending a joint meeting with the Planning Commission at which time drainage standards for potentially new subdivisions are to be set up.

The Baroni and Payne property of approximately 18 acres, bounded by Virginia Avenue on the west, Bucknall Road on the north and Rincon avenue on the south was accepted for processing in the usual manner after Henry Barrett, city attorney for Taft, in Kern County spoke in behalf of the developers, Taft Realty Company and agreed to what ever restrictions the city might set up. The land, now in orchard, would be subdivided for 86 building sites each of 6000 square feet minimum, with homes costing $12,500 and up. Hunt Way, June Ann Way and Christopher Avenue would be north and south extensions and there would be one new east-west cul-de-sac road of 60-foot width.

Councilman Charles Rose read a resolution setting Oct. 18-30 as Light's Diamond Jubilee week as suggested by McKinley-Young, local electrical firm, this being the 75th anniversary of Edison's discovery of the incandescent light. Council proclaimed this observance.

Proceedings calling for the annexation of the 84-acre Amato-Bellicitti property extending from San Tomas Aquino Creek and lying between Latimer and Campbell avenues was postponed until some understanding of drainage regulation can be made between the council and the planning commission. Preliminary plans had been approved by the planners August fifth. A written protest from the owner of an adjacent piece of property contended his property would have its farm value reduced, that brush burning and the use of insecticides would be limited and an outlet possibly closed through such annexation. Mayor Morton asked that the protest be recorder in that minutes of the previous council meeting indicated the hearing had been continued from September 27 because of his absence.

Mark Thomas, city engineer said he did not favor an open ditch because paving would later have to be removed and because of its maintenance problem. Charles Nolte, engineer for the developers had proposed having an assessment district formed similar to procedures for annexations followed in other cities. He said plans call for improving a tract for 46 of the 151 lots. Thomas favored use of 27 inch, 33 and 36 inch pipes so as to provide sufficient carrying surface for drainage of lands in the watershed further to the west, should that area at some future date also be annexed.

Mayor Morton said the question before the council is only for annexation but felt the subdividers should know something of the drainage requirements before proceeding.

Council referred to the city attorney a verbal application from Mr. and Mrs. F. W. Volzing of 410 Chapman Drive to conduct a bridge club at a downtown location, the problem involving regulation and licensing. Council referred to the city engineer the application of Pacific Tel and Tel Co. for underground cable on Rincon and on South First Streets.

While council approved removal of a dead walnut tree in front of the Carl Field property on Second street, it followed the suggestion of LeRoy Black, public works director that replacement of three elms at 221 West Latimer be with liquid amber or some other tap root tree other than a camphor as proposed by the home owner.

A proposed 35 mph speed limit zone between Budd and Rincon on Winchester Road was also referred to the city engineer. The barricade on West Campbell avenue near San Tomas Aquino Creek is to be removed and the reflector light on the property line is to remain.

The bus parking is still in status quo although Peerless Stage Line agreed in a letter to give up one space on the north side of Campbell avenue by the Friendly Shopping Center. Mayor Morton reported a parking time survey had been conducted in the block and said but 35 per cent of the allowable time was used, although one car had been parked 7 hours and 25 minutes in the block and another for five hours that day. Police Chief Robert Locke quickly stated that car marking was not done except when parking spaces were in demand.

Frank Accardi who conducts a business in the block asked why the company used both sides of the streets and why the bus could not go around the block to enter a single parking area as they would have to do in entering a depot. He said a loading zone could be used by him to advantage. The Mayor replied he could apply for a loading zone any time he wished and that if the demand for limited bus parking came up later on, it might be considered. He added that license numbers and owners of the two overtime car parkings were known.

Council approved storm sewer improvements on North Rincon with an understanding the County will do substantial channel dredging.

Preliminary plans for the Camden avenue and Winchester Road intersection, with left and right turn lanes, signals and islands were submitted from the County Engineer's office, purpose of the project being to reduce traffic hazard and to widen Winchester Road as an initial step in making of it a four lane highway through to Stevens Creek Road.

CAMPBELL KIWANIS CLUB TO SEND STRONG DELEGATION TO RENO CONFAB

The Campbell Kiwanis Club, winner of the travelling bell in 1953 at the California-Nevada-Hawaii convention in Santa Monica for having the largest club membership from any distance at the convention is seeking to keep the bell for the 1954-55 term by sending 66 delegates to the convention October 17-20 at Reno.

CUPERTINO WANTS TO INCORPORATE

Petitions are to be circulated next week calling for the incorporation of Cupertino, according to action taken Tuesday at a meeting of the Cupertino-Monta Vista Improvement Club.

EDITORIAL

THOSE TWENTY PROPOSITIONS

There are to be twenty propositions on the November second ballot besides the two about the County Fair status. Some of these are very important, but the way candidates are sparring around, shadowing each other and making open accusations, the public is not being given much opportunity to study the amendments.

The shadowing of one candidate by his opponent is something quite new, and is not very appealing to the public.

Here are some of the important amendments:

Prop. 1, Veterans Loan Bonds--$175,000,000 state bonds for veterans loans.

Prop. 2, School Loan Bonds. $100,000,000 State bonds for loans and grants to school districts.

Prop. 3, Liquor administration—proposes to set up a department of alcoholic beverage control to handle licensing and administration of liquor. This is now handled by the state board of equalization.

Prop. 4, the McLain Initiative on Old Age, proposing to freeze into state constitutional aid to the aged of at least $100 a month, making about seventy-four million dollars in new taxes mandatory.

Prop. 5 — would exempt freight and passenger vessels of over fifty tons from local taxes, similar to that granted in Oregon and Washington.

Prop. 6 would raise the pay of state legislators from $300 to $500 a month.

Prop. 7—Would change Torrens title act.

Prop. 8, Exemptions, Vessels (100 tons) — exempts from taxation commercial vessels of over 100 tons burden.

Prop. 9, Exemptions, Churches—extends present exemption for churches under construction to land and equipment.

Prop. 10, Terms of Office — proposes longer terms of office for state legislators and a limit on the number of terms a Governor may serve.

Prop. 11, Exemptions, Veterans—Exempts from taxation homes of certain disabled veterans up to $5,000, in lieu of present $1,000 exemption.

Prop. 12, "Right to Vote" — permits person to vote who has paid penalty imposed by law for conviction of an infamous crime.

Prop. 13, Charter for Vernon—special provisions for charter for city of Vernon.

Prop. 14, Exemptions Colleges—Extends exemption for college buildings under construction to land on which building is being constructed.

Prop. 15, Exemptions, Nonprofit Hospitals—Extends nonprofit religious and charitable exemption to buildings being constructed, equipment and land.

Prop. 16, Use of Water—Requires agreement by any government agency acquiring interest in real property to conform to California laws regarding use of water.

Prop. 17, Use of Gas Taxes—authorizes use of money received from highway use taxes for planning and constructing facilities for vehicle parking.

Prop. 18, Rights of Foreigners—Eliminates restrictions on rights of certain foreigners to hold property other than real estate in California.

Prop. 19, Qualifications of Judges — Relates to qualifications of judges or justices of the peace to serve as municipal or superior court judges.

THE OLD COUNTRY STORE

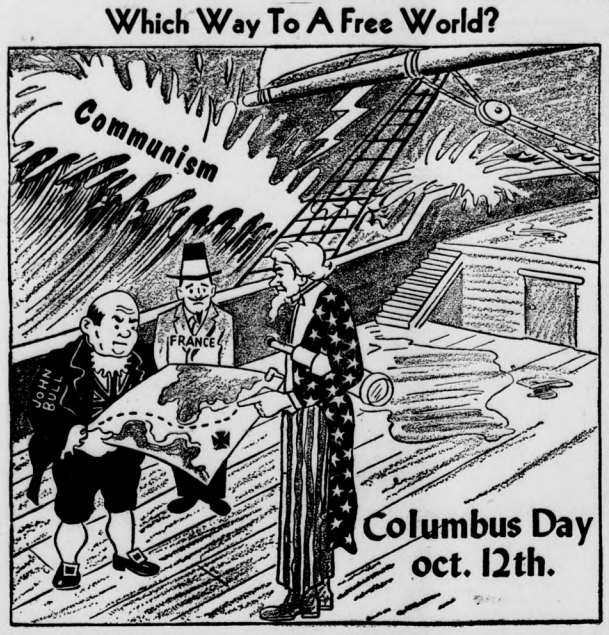
We all like to talk about the "good old days," but how many of us would turn the clock back if we were able. Probably no better illustration of the "good old days" could be cited than the country grocery store. One could patronize such a store year after year and find the cracker barrel, the pickles, and the wheel of cheese in the same place. The old store exuded an aroma of salt meat, bananas, apples and other delicacies that one never forgot.

The lack of change gave it an air of permanence and made it seem like an old friend. But today no one would buy crackers that had to be handled by a clerk. You wouldn't buy cheese where flies were walking over the cloth that covered it—neither would you accept wormy apples. You want to pick your vegetables from under a spray of water or out of a frozen food chest. Instead of buying fruit in season, you want almost every kind of fruit or fruit juice at all seasons. You wouldn't think of getting your milk or meat except from refrigerated counters. You would not want your potatoes or other heavy vegetables setting on the floor in boxes or sacks where old Rover could nose along enjoying himself. That is one reason why your cost of living has gone up—the spread in price between the farmer and the consumer is in large measure the result of the demand of the consumer for expensively processed products. So when you talk about prices today and compare the cost of living with that of a generation ago, just remember all you are getting—fancy packages, refrigeration, air conditioning, sanitation and scores of things your grandmother never heard of.

THREE-LETTER PLATES

The first of six million automobile license plates to be used on California cars in 1956 have been turned out by prisoners at Folsom penitentiary. These are the three-letter, three-number plates which will replace the numerical system now in use. The new plates will conform to the standard 6 by 12-inch size decreed by auto manufacturers. The present California plates are a little oversize. Next year you'll get another tab to carry on your 1951 plate. The 1956 license will also be used for five years and will have black numbers and letters on a chrome yellow background. This departs from the customary orange and black which has been used in every year since 1928 with the exception of 1939.

Which Way To A Free World?



The Campbell Gambol

IDLE THOUGHTS . . . Wonder if it would be easier typing a long article to do some rump rolling like Liberace or maintain your posture . . . wonder what will happen to the cheering section at big time football games if groups come with portable mikes with a battery charger like a few we saw last Saturday at the Stanford-Navy game, any one of which is strong enough to throw the voice to the far end of the playing field, a Navy idea because the rooting section was limited in size but strong in volume . . . wonder who has the answer to the brain teaser about the two pedestrians walking along the same road in the same direction, the first at four miles an hour and starting 8 miles in advance of the second who walks 6 miles an hour, the dog of one of them leaving his master at the start and takes off at 15 miles per hour for the second man whom he reaches then returns to his master and keeps repeating the performance until the two men meet, and some GE mathematician figures the dog ran sixty miles and we're not going to argue about it.

HERE'S A TIP That can save you money as well as time . . . . just dial the operator for information instead of going to San Jose for it and you will save bus fare, gasoline, parking problems and wear and tear on your car . . . so says the Telephone Company ad a fortnight ago and its just what we have been trying to get Mrs. Campbell Housewife to do for quite a while when it comes to groceries, wearing apparel, appliances and other things which can be had right here in Campbell at the right price from merchants who pay a city license, pay city taxes and support local affairs . . . and like a major oil company ad, that their stations provide employment to local residents who pay local taxes, take part in community activities, shop at locally owned stores and raise their families locally, taking pride in the community for they have a stake in its future.

MORE SCHOOLS At least two of them will be needed and soon in the Cambrian District as 470 new homes are starting in a subdivision opposite the Camden High School, a second school is to be ready in February, the enrollment of the present school now being close to 1300 as compared with the 1250 first estimated . . . here in the Campbell School district the bond election last Thursday makes it certain a tenth school will be built . . . within a mile radius of the High School there are about 4700 families at this time and within three years at the present rate of growth the same area will have 5600 families according to a survey made by commercial interests . . . within a two mile radius of the Campbell High School by 1958 there will probably be 10,000 families and that will mean more schools, more businesses, more cars and more traffic . . . the big problem being to keep other cities from extending their boundaries too close to ours if we are to retain our civic stature.

San Jose Seeking Lions' Convention

The California Elks Association has chosen San Jose as its convention city for 1956, the first time since 1932 that the convention was held in Santa Clara County. Henry Plymire, manager of the convention bureau, said they also hope to land the Lions International District 4 convention.

DOYLE ROAD TRACT IS SOLD FOR $350,000

OAK TREE PERIL TOLD BY EXPERT

BERKELEY—If you want to spare that dear old oak tree in the back yard, don't plant a lawn around it. Or if the lawn is already there, don't water close to the trunk.

A University of California scientist has found proof of what has long been suspected—that the amount of water in the ground around trees, shrubs and flowers can determine whether they will be killed by armillaria root rot or whether they'll survive.

Robert D. Raabe, assistant plant pathologist in the California Experiment Station, has concluded a series of experiments in which he found that the oak root fungus, which causes armillaria root rot, grows faster in heavier, wetter soils.

Armillaria root rot attacks practically every kind of tree,shrub, and flower in California.

The main thing is not to plant a lawn around trees you want to preserve and not to heap dirt around the trunk," Raabe said. "Either way, moisture gets to the crown of the tree and the fungus grows until it kills the tree. By pulling the soil away from the crown and allowing it to dry out you can lengthen the life of an infected tree by several years."

Rhododendrons and other flowers are less likely to succumb to the fungus if they are grown in lighter soils with good drainage, Raabe found.

His experiments were part of a University project aimed at finding plants resistant to the oak root fungus. He did the work in greenhouses on the Berkeley campus, before moving to the U. C. campus at Davis.

Timothy O'Connor Is diLeonardo Aide In Assembly Race

Timothy A. O'Connor, San Jose attorney, has accepted the finance chairmanship in behalf of the candidacy of Michael diLeonardo for election as Assemblyman from Santa Clara County's 29th District, it was announced last night by Michael Blanchfield, diLeanardo's general campaign chairman.

"diLeonardo was a deputy district attorney for almost two years and later had his own private law practice. He was graduated from the University of Santa Clara Law School cum laude, and was later asked back to teach a course in law."

SAN JOSE BANK INCREASES 13% IN SINGLE YEAR

The First National Bank of San Jose shows, in their Statement of Condition, as of October 7, 1954, a growth of $7,728,000 as compared with September 30, 1953. The total resources of the Bank were $65,578,000, which are the highest figures ever reporter and shows an increase of better than 13% over last year. Deposits were up $7,560,000 as compared with the previous year, an increase of 14%. Loans and discounts were up $1,235,000, or about 5%; while U. S. Government Securities increased by $5,382,000.

In discussing this report with Joseph Rogers, President, it was pointed out that substantial growth was continuing in all departments, particularly in Installment Loans, where the bank specializes in new car financing. Rogers stated that the bank has just completed increasing its capital stock to $1,500,000, and that there had been a substantial increase in Government Securities owned.

Today the bank is opening its new Palo Alto Office in temporary quarters at 334 California Avenue and about December 1st it will open its Mountain View Office at 312 Castro Street.

New Milk Powder Is On The Market

Instant Milk, a revolutionary new nonfat dry milk of unique granular structure which dissolves instantly even in ice water, was announced today with the start of national distribution by Carnation Company, according to Elbridge H. Stuart, president of the firm.

Instant Milk is the single greatest development in the centuries-old history of powdered milk and the top achievement in the entire dairy industry since the advent of evaporated milk.

National distribution of the non-caking, non-foaming dry milk product is expected to be completed early next year, Stuart said.

Startling in its solubility and flavor properties, Instant Milk contains the essential elements of whole milk, except butterfat, and is especially useful for nutritional purposes. It may also be used to increase the protein and mineral content of whole milk.

District PTA Has Comic Book Hints

A great amount of interest was aroused at a meeting of the Sixth District California Congress of the PTA on Monday in Palo Alto over the use and abuse of comic books. Topic of the day was "Reading" with Mrs Kenneth Learned, state chairman directing. Sub-topics were "How to Acquire a Neighborhood Library", "How to Develop Reading Interest", "Benefits of Reading" and "What About Comic Books?"

Parents were advised to read with children the comic books they briing home; inspect the supply offered for sale in the neighborhood; know what books children are buying and reading.

The district endorses State Proposition No. 2 on the November ballot which provides funds for overburdened school districts, and No. 3 which would reorganize alcoholic beverage control.

"Underwater ear" spots telephone cables fast. Using a special underwater sound detector, telephone trouble shooters can quickly find cables lying on the bottom of the bays and rivers of the Pacific West—even cables buried deep in silt. This means cables can be raised, when necessary, in much less time than if we had to grapple for them "blindly" or a diver had to wander about looking for them. And, of course, time saved is also money saved. Thus, the "ear" is helping us bring you good service at low cost. **Pacific Telephone works to make your telephone a bigger value every day.**

The Henry Haggards At Home In Campbell After Honeymoon

Now at home, after a wedding trip to Monterey and Carmel, are Mr. and Mrs. Henry Haggard of 1336 Magnolia Avenue. The bride is the former Shirley Margaret Crook. The young couple recited their vows September 19th in mid-afternoon rites performed by the Reverend George Meyer in the First Baptist Church of Quito Park.

For her wedding, Shirley selected a ballerina length satin gown featuring a fitted bodice with a small flower covered Peter Pan collar, sleeves and a bouffant skirt. Her shoulder length veil descended from a crown of flowers. She carried a bouquet of white asters and yellow rosebuds centered with an orchid.

Mrs. Richard Weller acted as matron of honor and Mrs. Phillip Salceda as bridesmaid. They wore identical gowns of pink and turquoise cotton styled with ballerina length bouffant skirts.

Duties of best man were performed by Arlen Deutsch. Ushers were Miles Dennis and Boots Spaulding.

For her daughter's wedding, Mrs. David Crook donned a royal blue taffeta gown and pinned on a yellow rosebud corsage. Mrs. Robert Haggard, mother of the bridegroom, wore a black gown with white accessories and a corsage of yellow rosebuds.

Shirley is the daughter of Mr. and Mrs. David T. Crook of 236 N. Milton Avenue, and sister of Mrs. Richard Weller. She is a graduate of Campbell High School and is now employed by California Pacific Title Insurance Company.

Henry is the son of Mr. and Mrs. Robert Haggard of 141 Cherry Lane, and brother of Geneva, Margaret and Frank Haggard. He is a graduate of Campbell High School, attended San Jose State College, and is now employed by the California Pacific Title Insurance Company of San Jose.

Following the ceremony, a reception was held in the garden at the home of the bride's parents where the young couple cut a three tier wedding cake and received best wishes from more than one hundred guests.

Layman Sunday Congregational Church Here

Members of the Congregational Church will observe Layman Sunday October 17 with Noble Hancock and Gil Schaper assisting in the services.

Speakers for the day will be Mrs. Dorothy Royce, Mrs. Rex Fuller and Mr. Myron L. Fairchild. A director for the Wells Organization, who has been retained for the purpose of handling the building fund canvas, will make a brief address to the congregation concerning the building of the new Church.

Hamilton PTA Plans Program

Executive board members were introduced by President Don Webber at the fall kick-off meeting of the Hamilton P. T. A. which was held last Monday evening at the school.

Mrs. LaVerne Vallalunga, program chairman, asked for program suggestions for the coming year. Mrs. Barbara English told of the various P. T. A. magazines and then played a record "Magnet, done on the order of "Dragnet", which explained their merits.

Wayne Fontes, principal, introduced members of the faculty and entertained the group by enacting incidents that happen at the executive board meetings.

Faculty members were hostesses for the evening and served their own home baked cakes.

Photo Study At Country Woman's Club Meet Here

Campbell Country Woman's Club met for its first regular meeting of the year, on Oct. 4th, topic of the day being "Photography".

Prof. George Stone, a pioneer photographer and member of the staff in Photography at San Jose State, handled the subject interestingly and well.

Mrs. Ralph Hyde, chairman, was assisted by Mesdames G. E. Ninnis, Norman Houge, A. D. Rice, H. M. Shadle, Anne Abraham, and J. B. Collins.

Next meeting will be held Oct. 8th, the topic of the day being "Architecture". Hollis Logue, well known architect of San Jose, will be speaker.

Mrs. J. M. Dahl will be chairman, assisted by Mesdames Milton Robertson, G. F. Fickle, J. D. Reilly, Wm. M. Johnson, R. B. Bishop and Florence Cottle.

Hallowe'en Party Planned By Group

A Hallowe'en party is planned for the six dens of Pack 9 when it meets Friday, October 29, at 8:00 p. m. in the Congregational Church for its first meeting of the fall season. There will be games, refreshments, and prizes for the best costumes.

Cubmaster Ralph Kallam has planned the party with the help of assistant cubmasters Gus Gladding and Jerry Thompson.

FUTURE HOMEMAKERS PLAN A BIG WEEK IN CAMPBELL

Masaka Kawauchi, one of the two presidents of the Campbell High School chapter of the Future Homemakers of America was in Sacramento yesterday, as all-state secretary for the organization to receive a proclamation from Governor Goodwin Knight which officially designated the week of Oct. 31-November 6 as 1954 "National Future Homemaker Week".

Campbell Chapter today was arranging daily features for the week with Carole Young who is work chairman of the year, in charge.

Families will be presented eight red roses apiece on "Family Together Day", because this is the eighth year of FHA at Campbell High School. Women teachers at the school will be honored on Faculty Corsage Day, and a Philippine Supper will feature an authentic Luaw, with all guests attired in real Filipino costumes designed by Future Homemakers. Highlight of the week will be the Official State Convention Meeting at Asilomar on November 5, 6, and 7, which will be attended by club advisors Dorothy Harrington Adele Charlson, Alice Lassen, Masako Kawauchi, Sally Ota, Donna Phillips, and Marilyn Peters plus Ellen Nunamaker who is treasurer, and Gail Godfrey, parliamentarian of this section which embraces all the FHA memberships in San Benito, Monterey, Santa Cruz, and Santa Clara Counties.

The Campbell Chapter this year has sixty paid-up members, Twenty-seven of the girls served over 500 P. T. A. members at the annual "get acquainted" banquet in the girls' gymnasium.

Future Homemakers of America is a private, non-profit organization incorporated under Federal laws in Washington, D. C. It cooperates with the Office of Education, Department of Health, Education, and Welfare in promoting home economics study and instruction, and all phases of homemaking instruction. Nationally the FHA is proud of its UNESCO contributions which have already completed eight UNESCO projects in Greece, India, Libya, the Philippines, the Middle East, and Sierra Leona spending over five thousand dollars to help poor unfortunates in other lands. They're now working on a Korean project to provide home economics equipment for war-ravaged schools there.

October 24th will be officially proclaimed United Nations Day at Campbell High by the girls who will try to sell UNESCO stamps to members of the student body and faculty. With the profits the girls will ready a box for "world friendship" as part of FHA's latest project in Ceylon. This rural development project, with headquarters in an abandoned Royal Airforce Base, is a pilot project to set the pattern for fundamental education in that area. 400,000 American girls all working for the same cause prove again that we must never underestimate the power of a woman!

The Campbell High sixty members of the organization meet both noon hours every other Thursday in Room 45 at the high school and plan their activities while they eat. Eleven o'clock FHA officers are president Masako Kawauchi; Vice President, Nancy Namba; Secretary, Janice Polglase; Treasurer, Kay Idota; Historian, Darlene Lemas; Song Leader, Mable Ashley; and Reporter, Mae Ogata.

During the 12:00 lunch hour President Ellen Nunamaker is assisted by Vice President Janice Nomura; Secretary, Arlene Takimoto; Treasurer Teruyo Ninomiya; Parliamentarian Marlya Lemas; Historian Francis Rodriguez; and Song Leader, Arlene Bese.

Members are already working for degrees and pins. The juniors work for the charm key, second year girls for the scroll, and third year girls for the torch. They're already discussing the Christmas party they'll sponsor at County Hospital and the all day convention which will be held in Campbell next March, a section meeting when over 200 girls will come here as representatives from four different counties.

EPISCOPALIAN MISSION FOR WILLOW GLEN

Right Reverend Carl Morgan Block, Bishop of the Episcopal Diocese of Northern California, has called a meeting and potluck supper to be held Wednesday, October 27, at 6:30 p. m. in McNaught Hall of the St. Francis Episcopal Church of Willow Glen.

Bishop Block will formally establish St. Mark's, located on Pruneridge Avenue, at this meeting and discuss building plans and steps to be taken in developing the Mission.

Prospective new members and all persons interested in St. Mark's Mission are urged to attend the meeting. Mrs. Harold Chadsey and Mrs. David Beer are co-chairmen.

Dessert will be served by St. Mark's committee.

Blossom Valley Home Extension To Meet Tuesday

"What's New In Food Preparation?" will be the topic discussed when the Blossom Valley Home Extension group meets next Tuesday, October 19, from 10 to 12 a. m., in the Youth Center behind the Union Elementary School.

Mrs. Frank Greggs and Mrs. Wayne Thompson, project leaders for the day, will demonstrate various ways of food preparatiion.

Child care will be provided in the home of Mrs. James Goble at 14634 Nelson Court.

San Tomas Club Meets Tomorrow

San Tomas Improvement Club will hold its regular monthly meeting Friday, at 8:00 p. m., in the Rumpus Room of the Smith home at 521 S. San Tomas, with Milton Parker presiding.

The meeting is open to all interested persons in the area.

El Quito Park PTA Holds First Meet

Six changes in offices were announced at El Quito Park PTA general meeting, October 5th at the School. Chester A. Creider, Jr., and Mrs. Burton Brazil, elected last Spring to the post of president and secretary, respectively, had letters of resignation in which they indicated that they were moving out of the area. Secretary Mrs. Caswell Neal and treasurer Carl Carl Aleimo sent verbal withdrawals from office.

Mrs. Oliver W. Upton, elected first vice-president last year, was appointed at the PTA executive board meeting, to the position of President, and Mrs. Ernest Porter, vice-president. The executive board third vice-president, became first also appointed Mr. Robert Eitreim as vice-president, Mrs. Gene Riordan as secretary, Mrs. T. O. Bergstrom, as treasurer and Mrs. Wayne Turner as Historian. The only two officers that have the same people carrying on through the coming school year are those of second vice-president, Robert Tack, principal, and auditor, Sanford Gum.

Executive board members explained that the board appointed the new officers, instead of having them nominated by the PTA as a whole, in order to hasten the process of having people in office. The by-laws of the PTA permits this method of appointing when vacancies occur among offices, so that the PTA may not have to stop functioning, whereas the machinery of nominating committee, presentation of slate of names to members, voting and installation of officers takes several meetings to conclude.

President Creider presided durthe business part of the meeting. Tack introduced his teaching staff. Dr. E. Henderson, physician for Moreland and ten other districts, spoke on the health of the school child.

Mrs. Bergstrom made the treasurer's report.

Mrs. Sam Manfre spoke on the recreation program for the area, and said that a group of people had already met with her to discuss plans for a playground director for Saturday activity at the school grounds, teen age dance programs, and the proposal to send out a survey to all parents in the area asking opinions about what they would desire in the line of recreational activity for their children. Those people who met with Mrs. Manfre were Mrs. James Lagiss, Robert S. Tack, Mrs. Gussie Baker, Frank Lavoi, Mrs. Clarence Barr.

Mr. Tack discussed the Camp Campbell program, and the manner in which the PTA helped the children of the sixth grade to attend.

Mrs. Upton reported on the recent 6th district meeting which she attended in Palo Alto. She explained that there were 33 PTA units in the state, of which Moreland District is in the sixth. The district in turn is divided into Councils, the local one being El Paridiso. She announced that the sixth district office is now located in the home of president Mrs. George D. Robertson on Quito Road.

Committee chairmen who have been appointed to date are: membership, Mrs. Howard Millard; hospitality, Mrs. Guy Boltz; refreshments, Mrs. Phillip Hurd; recreation, Mrs. Sam Manfre; magazine, Mrs. Thomas Kabatek; Room mother representative, Mrs. John Linger; health and child welfare, Mrs. Carl Popkey; publicity book, Mrs. Wayne Turner; inside publicity, Mrs. John Diehl; child care, Mrs. Ray Ramos; decorations, Mrs. R. G. Chrisman; telephone, Mrs. L. M. Schlobohm; parliamentarian, Mrs. Bruce Holmes; library, (parents), Mrs William Murphy.

Campbell PTA Membership Drive Is Set Up

Plans were completed for the the Campbell Grammar School P. T. A. membership drive when members of the executive board met last Monday evening in the school auditorium. The Student Body Council has formed a membership committee to assist and exchange ideas with the P. T. A. for the drive, now in full swing, which will last one week and end this coming Friday.

Cost of membership has been reduced to one dollar for both parents or fifty cents an individual. Five dollars has been offered to the 7th and 8th grade classes, and passes to the Garden Theater to the 6th grade classes, for the room turning in the highest percentage of members.

Final plans for a Harvest Dance, to be held Saturday, November 6, in the school cafetorium, have been completed. A turkey will be given for door prize. Ken Rutter, recreation chairman, and Mrs. F. Hoffman, decoration chairman, are in charge of the dance and Mrs. C. Ward has charge of refreshments.

Mrs. Myering New President Of Auxiliary

Officers were elected when the Past Presidents Parley of American Legion Auxiliary 596 met Monday evening in the home of Mrs. Herbert Myring at 50 W. Campbell Avenue. New officers for the coming year are Mrs. Herbert Myring, president, and Mrs. Harold Olson, secretary.

Members present at the meeting were the Mesdames Rex Kaber, John Morley, Rex Fuller, Harold Olson, H. R. Strickland, William Burch and Herbert Myring.

Women's Service Group Returns From Asilomar

A combination Seminar and house party was held at Asilomar recently for new officers of the Womens Service Club Society of the First Methodist Church.

SERVICE NOTES

Navy Lt. Joachim F. Speciale, son of Mr. and Mrs. John B. Speciale of 264 Leigh ave., Campbell, and husband of the former Miss Betty R. Greaves of Miami, Okla., arrived at San Francisco yesterday aboard the attack aircraft carrier USS Boxer which is completing an eight-month cruise to the Far East.

The Boxer and her air units during their tour to the Orient, underwent training exercises with the First and Seventh Fleets in the South China Sea and the Sea of Japan. They visited the ports of Manila, P. I., Yokosuka, Japan, and Hong Kong, China.

The Boxer was one of the Navy's most active carriers during the Korean conflict. She completed four combat tours besides one record breaking speed run to the Far East with men and material.

25TH DIV., KOREA—Cpl. Herman Sexton, whose wife, Barbara, lives at 838 El Solyo avenue in Campbell, is leaving Korea for Hawaii with the 25th Infantry Division, which is returning to its home at Schofield Barracks.

Sexton, in Korea since October 1953, is a squad leader in the 14th Regiment of the division, which landed on the peninsula shortly after the Communist attack in June 1950.

The 22-year-old soldier, son of Mr. and Mrs. Joseph Sexton, 17381 Wedgewood ave., Los Gatos, entered the Army in April 1953.

Oliver Jensens Back From Oahu

The Oliver Jensons of 102 N. 2nd Street, have just returned from a six week vacation in the Hawaiian Islands where they swam, sunbathed and just loafed. While there they visited the islands of Oahu and Maui, then on to Hawaii and around the Kona coast, a picturesque place often used by movie companies when filming pictures. There they saw Henry Fonda and son Patrick fishing and stopped to watch while Fonda landed a 500 pound fish.

When in Hawaii they visited their daughter, Mrs. Jean LaMar, whose husband is stationed there at an Army base, and were shown through Fort Schofield and the Pearl Harbor base. They also met Colonel Emil Kollmer of 66 N. Milton Avenue who had spent seven years in Hawaii while in the service and who showed them points of interest including pineapple and sugar cane plantations.

Dr. Wilkins To Leave San Jose Methodist Post

Dr. John R. Wilkins will leave his post as San Jose District superintendent of the Methodist Church to become the first executive secretary of the California-Nevada Methodist Conference board of missions, Jan. 1, it was announced today.

Wilkins, who resides at Burlingame, was appointed by Bishop Donald H. Tippett upon recommendation of the conference board. His successor will be announced later.

Cambrian Group Sees Benefit In State Initiative

Mrs. Genevieve Helmbold was named chairman of the "Vote Yes on 2" committee in the Cambrian School District, it was announced today. The state bond issue will appear on the November 2nd ballot and calls for $100 million dollars worth of state bonds for loans and grants to districts unable to finance their own school construction programs.

According to D. M. Bagby, District Superintendent, the Cambrian district being classified as an "impoverished" district stand to benefit directly from the proposition. He said that it should be borne in mind that not all of the districts in the state will be able to make loans from funds provided by the proposed state bond issue. These are districts which have not reached the legal limit of their bonding capacity. These include large districts such as Los Angeles, San Francisco, Oakland, and San Diego. It is rewarding however that these larger districts have endorsed a "Yes" vote for the proposition realizing that the California educational program is a state wide program and the needs are acute, Bagby concluded.

Safety Award To Campbell Driver

Z. E. Long of 400 Sunny Oaks Avenue was one of 24 drivers employed in the San Jose terminal of Pacific Motor Trucking Company to receive the safe-driving award, the highest honor a professional driver can receive. The award was made by the National Safety Council at a breakfast. The Campbell man topped the list in the number of service years with nine.

Included in those attending the banquet were Capt. Mel Hornbeck of San Jose Police, Lt. Tobin, California Patrol and David Kaye of Santa Clara Chapter, National Safety Council. Presentations were by F. S. Spreecher and J. L. Kennedy of PMT operations.

OUT-OF-TOWN BUSINESS LICENSE IS ADVOCATED AT MORGAN HILL

Citizens of Morgan Hill apparently are taking more interest in the way that the city government is being run. This was apparent at the City Council Wednesday evening, where several residents present to hear various problems be brought up and offering suggestions and asked questions.

Vince LeClair, manager of Sterling Lumber Company, asked why the city government charged only local merchants a license to operate and not all of the out-of-town businessmen who sell or deliver in the city limits.

He charged that the city is not checking for city licenses. He cited two cases of building materials being delivered to a local home building project and asked if either had a license. Neither firm holds a city license.

LeClair stated that bricks were delivered as late as 10 o'clock one night, apparently to avoid the necessity of applying for a license.

"I reported some of these cases and no action has been taken," he said.

"Why can they operate here without a license and we have to pay," he asked.

Edward Acton, councilman, stated that it was the duty of every citizen to report it to the proper authorities when a out-o-town firm is operating here without a license.

R. M. Szymanski, city clerk, explained that he tried to check but is unable to know everytime an out-of-town company comes in for business—Morgan Hill Times.

Explorer Crew At Seacliff Park

The Explorer Crew of Campbell Kiwanis Scout Troop 28 held a beach party last Saturday at Seacliff State Park.

Following a barbecue, games and swimming occupied the afternoon. In the evening refreshments were served and the group returned home.

Thos epresent were Jerry Henley, Linda Curtis, Gene Andres, Elaine Mayer, Gary Almada, Marilyn Rice, Tim Sullivan, and Carol DeLouder. Providing transportation were Mrs. Sullivan, Mrs. Almada and Mr. and Mrs. Ken Robison.

ISABELLA CIRCLE TO MEET TONIGHT

The home of Dr. and Mrs. W. R. Morgan on Larga Vista Avenue, Los Gatos will be the meeting place for the Isabella Circle of the Congregational Church tonight at 8:00 p. m. Under discussion will be plans for the October bazaar, and a Rummage sale to be held at 124 N. Market on November sixth.

CHRISTIAN SCIENCE

How spiritual understanding of man's scientific unity with God overcomes fear and establishes harmony will be brought out at Christian Science services Sunday.

The Lesson-Sermon entitled "Doctrine of Atonement" includes the following passages from the Bible (Psalms 51:15-17):

"O Lord, open thou my lips; and my mouth shall shew forth thy praise. For thou desirest not sacrifice; else would I give it; thou delightest not in burnt offering. The sacrifices of God are a broken spirit: a broken and a contrite heart, O God, thou wilt not despise."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selections will also be read (202:3): "The scientific unity which exists between God and man must be wrought out in life-practice, and God's will must be universally done."

The Golden Text is from I John (2:1): "If any man sin, we have an advocate with the Father, Jesus Christ the righteous."

Decorating Tip For Early Birds

If you are an early bird Christmas gift planner with a family music center in mind, take a decorating tip from experts who choose color schemes for heavy traffic areas like this room.

Here, colors are from the brown family for comfort and a permanently neat look. Walls and floor are pink beige. Lamp table and upholstering (could be plastic), are walnut toned to harmonize with the much used family spinet organ. The accent color, tangerine, used here in upholstering and table accessories, can be used also in pillows, picture frames and draperies.

If your home lacks a music entertainment center, gift plan one now for your family's Christmas, taking advantage of convenient layaway plans such as your music dealer is offering now on the chord organ and other models.

FASHION SHOW IS PLANNED

A large evening Whist party is planned for January and a Fashion Show for March by members of the St. Lucy's Women's Club according to action taken at a meeting Thursday.

Plans for the rummage sale held yesterday and today at 124 Market Street in San Jose were completed and refreshments served buffet style with Mesdames Louis Bogner, Art Wagner, Clyde Gray and Pauline Polich as hostesses.

TEN LOS GATOS BOYS HELD FOR CABIN FIRE

Five members of the Los Gatos high school football team were among the ten boys rounded up for allegedly burning a cabin in the mountains Saturday morning by stuffing a mattress in the fireplace following a two hour beer drinking party.

For The Night of Witchery

Glowering witches, scowling black cats, grinning pumpkins and surprisingly happy little bats—these cardboard cut-outs, available almost everywhere, make most effective and inexpensive decorations for your Hallowe'en party.

Cup cakes, decorated with these same symbols of the night of pranks, will carry out the theme of your decorations and delight the small fry. Cup cakes, or other light food might be enough to serve with a good beverage.

After a session of playing games, ducking for apples and trying to bite that elusive apple on a string, nothing will be as popular as good, refreshing drinks. Glasses of pale dry ginger ale and grape juice, mixed half and half, will meet with the approval of your young guests. Ginger ale, by itself, icy cold and bubbling, is always a refreshing drink.

Here is an excellent combination of fruit juices to combine with ginger ale for a children's party.

Fruit Ginger Medley

1 cup pineapple juice
1 cup grape juice
½ cup lemon juice
1 cup apple juice
½ cup sugar syrup
Pale dry ginger ale

Combine fruit juices and sugar syrup, blending well. Divide among eight tall glasses, pouring over ice cubes. Fill glasses with pale dry ginger ale.

Garden Club To Study 'Mums At Meet Wednesday

Mrs. Charles Smith will speak on flower arranging, using chrysanthemums and seasononal background material, at the next meeting of the Campbell Garden Club on Wednesday, October 20, at 2:00 p. m. in the Club house. Members are asked to bring cut specimens of their best chrysanthemums for study and comparison.

Mrs. Fred Seymour, chairman for the Chrysanthemum Tea, announces it will be held on Friday, November 5, at the Saratoga Foothill Clubhouse, on Parkway. Mrs. Warren Deverell, of Berkeley, teacher, lecturer and judge in national flower shows, will be the speaker, using the subject "Table Settings and Coordinated Flower Arrangements". She will feature traditional and modern settings, formal and informal, some with hand woven linens, but stressing the use of things you already own.

The follinwg chairmen for the Tea wer enamed by Mrs. Seymour; tickets, Mrs. John Cantoni and Mrs. Howard Keech; Hostesses, Mrs. Beverly Edick; refreshments, Mrs. George Kolze; Tea Services, Mrs. John Prolo; Door prizes, Mrs. Roy Sindel; Kitchen, Mrs. Owen Peterson; cleanup, Mrs. Thomas Totaro.

Men's night, a feature of the last meeting o fthe Club, was voted a huge success by those present. Captain Kenneth Root, recently returned from service in Kaiserslautern, Germany, gave an interesting talk on his impression of Europe, illustrating with beautiful color slides.

Cambrian Club Is Host To Teachers

The cafeteria was gay with blackboard place markers and red geranium decorations for the Teacher and Staff Reception given Wednesday evening, October 6, by the Cambrian Home and School Club. Mrs. Edgar Banks, President, presided at the meeting and the Executive Board served as hostesses. Over 350 parents welcomed the school staff of 65 and their husbands and wives.

Miss Paulette MacDonald played several piano selections; the Four Clefs from Sunnyvale entertained with accordian, bass viol, and electric guitars; and Roger Vinyard from Figone's played accordion numbers.

The Rummage Sale on October 15 and 16 was announced by Mrs. Henry Schatmeier, chairman. (Franklin 8-5517)

Mrs. Denver Tanner asked all present to join the Club during the membership drive from October 25-November 5; and Mrs. Harry Gerin, chairman of the Annual Christmas Bazaar reminded the members of the date—December 4—Saturday.

The thirty-four room mothers were asked to stand and be introduced by Mrs. Larry Critchlow, chairman of room mothers.

Mrs. John Herndon thanked all the ladies helping on Community Service Fund collection and urged everyone to give in Campbell to help the local youth programs.

IN CAMPBELL'S KITCHENS

From the recipe box of Mrs. L. O. Faulkner, 214 Rosemary Lane, comes a hearty main dish and a good winter fruit dessert.

SHRIMP CREOLE

1 can shrimp
1½ cups raw white rice
4 tablespoons salad oil or shortening
1 cup diced onion
1 cup diced celery
⅔ cup minced green pepper
1 teaspoon salt, dash of pepper
1 No. 2 can tomatoes
1 tablespoon flour
1½ tablespoons water

Boil rice in salted water until tender, drain and keep hot. Meanwhile, cook onion, celery and green pepper in salad oil in covered skillet over low heat for 15 minutes or until tender, stirring occasionally. Add salt, pepper and tomatoes. Make smooth paste of flour and water and add to sauce. Cook 5 minutes longer, stirring constantly. Add drained shrimp.. Heat to boiling point and serve on mounded rice or rice ring. Serves 6.

APPLE CRISP

5 or 6 sliced pared apples.
½ cup sugar
½ teaspoon cinnamon

Places apples in greased 6 x 10 baking dish, sprinkle with sugar and cinnamon mixture.

Mix together with fork until crumbly

1 cup sifted flour
½ cup sugar
1 teaspoon baking powder
3/4 teaspoon salt
1 unbeaten egg.

Sprinkle the crumb mixture over the sliced apples.

Pour over all

1/3 cup melted and cooled shortening.

Bake 30 to 40 minutes in a moderate oven, 350 degrees. Serve warm with cream or milk. Canned fruits may be substituted in place of apples.

OPERA GUILD TO SEND BUS FOR CAMPBELL HIGH CHORAL GROUP

As Campbell high school is running at greater-than-capacity this year, field trips and bus tours are out of the question—at least until after the holidays, according to administration sources. Frank Triena and his sixty-one choral students had been planning on their yearly jaunt to the Opera House in San Francisco.

Mrs. Tnomas Carr Howe of the San Francisco Opera Guild heard of their plight. The sixty-one songbirds are singing a happy tune again, for this year they are to go by Greyhound instead of school bus, and the San Francisco music group is picking up the tab.

The students will leave from the high school at 11 A. M. and be in the city by one. After lunch they are to see and hear "Rigoletto" by Guiseppe Verdi. All three acts will be sung in Italian with Eugene Szenkar conducting and starring Brian Sullivan, Elinor Warren, and Cesare Curzi.

Each year over twelve thousand music students from all over California attend one of these student matinees given in San Francisco's huge Opera House. Music students find it an experience they never forget. The Campbell group will be chaperoned by Dean of Girls, Mrs. Sam Owen and choir director Frank Triena, returning to the high school 6:00 Monday evening.

San Francisco's old Barbary Coast is now a center of night clubs and restaurants.

BUCS OPEN CONFERENCE SEASON AT MT. VIEW TOMORROW NIGHT

by Bob Olson

The Campbell High School Varsity football eleven will jump into the conference race for the first time this season when it meets Mountain View, there tomorrow night. The Bucs are confident of garnering their first conference victory, since Mt. View looked green and weak in losing to James Lick 26-7 last Friday afternoon. Apparently this is a "building year" for the Eagles.

FRIDAY GAMES
CAMPBELL at Mt. View 8:00 P. M.
Santa Clara at Lick 3:30 P. M.
Washington at Los Gatos 3:15 P. M.

The Bucs, meanwhile, looked better than any other time this Fall in taking a doubleheader from Santa Cruz last Friday night, the JV's winning the opener 14-0 and the Varsity taking the main event 7-0. The Varsity proved to be a cooperative and cohesive group in the Surf City, intercepting passes and latching onto Santa Cruz fumbles. They managed to hold fleet Tom Silva from making any of his spectacular runaway dashes.

Rich Calloway, who was converted from lineman to fullback only this season, was the real punch, in Campbell's sixty yard march to a touchdown. It was Calloway who scored the most important of the eight plays carrying the Bucs into pay dirt. He looked great plunging over guard into the end zone, giving CUHS six points and the game. Quarterback Rex Kendall converted to make it a 7-0 ball game, putting the local high school into the win column for the first time this season.

While Mountain View seemed completely ineffective against James Lick last Friday, still Campbell will have to watch out for the clever Mountain View T-formation quarterback, Andy Ardito, who kept the Eagles from a shutout with his last period quarterback sneak. However, the Bucs will be favored by two touchdowns in their league opener against these young Mt. View Eagles.

Undefeated Santa Clara will have its hands full taking on an aggressive James Lick eleven on the Comet Field tomorrow. Lick appears to have a strong running game team. Either Jack Rudd or Darrell Danper are capable of breaking loose for long-gainers anytime, and anyone seeing Hal Najaki's passes to Comet end John Ventry realizes that the East San Jose High School has a formidable passing attack as well.

But we still pick the Santa Clara Panthers to take it all this year. Last week against Los Gatos they scored easy touchdowns on the Los Gatos passes as well as their own; Clarence Nunes took one Wildcat heave out of the hands of two possible receivers and carried it back 45 yards to score for Santa Clara. Panther fullback Fred Blanco is a hard driver and Panther tackles Richard Della Maggiore and Richard McNeil make the Santa Clara line something to fear on every play.

Los Gatos will probably be in the win column this week. Taking on a weak Washington eleven at home, the Wildcat line, greatest in the conference, should be able to turn fleet halfback Ken Stryker loose for at least two TD's, and if Terry Ogden's passing continues to improve, Los Gatos will still be able to live up to early-season predictions. The Wildcat line is tough and experienced.

LATEST NEWS ON THE VARIETY SHOW

"Hey There" is the theme for the annual variety show to be held November 4 and 5 in the CUHS auditorium.

The show this year should prove to be tops again divided into two big parts.

The first part will feature an array of top musical talent, dancers and comedians.

In the second part, Mr. Wallace will stage "The Valiant" another of his one act plays that he has made famous at Campbell.

"The Valiant" is cast around a New England setting and will star Steve Hunter in the role of a condemned murderer. Ron Trevethan is cast as a prison chaplain, Russ Cahill and Jim Welker as prison guards and LeDonna Roberson as the girl who must get certain information from the condemned

SPARTANS PREPARE FOR OREGON GAME—

The San Jose State Spartans, fresh off a 19-12 victory over Arizona State at Tempe Saturday night will have a bye this week and will be sharpening up for the October 23 game with the University of Oregon at Eugene.

Coach Bob Bronzan credited the victory over Tempe to a combined team effort and praised the team for their alert defensive work along with the running of Halfback Stan Beasley, and Fullback Dave Fanner. The Spartan forward wall bottled up the vaunted Arizona State offense and opened up huge holes for the Golden Raider backfield to spring into the clear.

ELECT JACK HUSTON

Jack Huston was elected president of the Los Altos Kiwanis Club at a meeting Tuesday. He is to attend the California Nevada-Hawaii district meeting in Reno Oct. 17-20.

Cinerarias Make Colorful Planting

With the first rains settling the dust and clearing the air comes the tangy feeling in the offing that winter is on its way. Rapidly the planting period for fall is slipping through our fingers and soon it will have to be sandwiched between days that are "too rainy", "too windy", or "too cold". The time to plant that bed of stock or snaps or caluendula or the bulb cover or whatever IS NOW . . . . And for that problem shade area that never seems to grow anything, not even weeds, now is the time to raise the bed for good drainage, incorporate a goodly percentage of humus (up to one half) and work in a cupful of hoof and horn meal to each 100 sq. feet of bed space. With all of this preparation things are all ready to set in a planting of cinerarias—the true queen of the shade garden area.

CINERARIA

Cinerarias thrive in shady locations but they require good drainage and loose soil. The above treatment will answer their soil requirements unless the soil is too alkaline. In this case soil sulphur or an acid plant food should be applied in sufficient quantities to make the soil of a slightly acid nature.

While the color range of cinerarias is basically contained within the reds, purples and blues, there are several types of flower form and height from which to choose for the particular problem and taste involved. For simple maintenance in a problem spot **Cineraria Stellata** is often chosen. This variety tends to reseed itself year after year and so serves as a perennial planting. The flowers are medium in size and about 2½' to 3' in height and are often used for background planting with shorter material in front. Colors run heavy to solid dark tones. **Cremers Prize** Strain is short and stocky and has a fine color range with a medium size flower but a tremendous flower head. **Multiflora nana compacta** is a class that includes several varieties of small flowers that form a large head on very short and stocky plants. Most popular, by far, are the giant flowered strains of dwarf plants such as the **Howard & Smith Strain.** A good mixture in this class will have as complete a color range as the cinerarias provide with whites, pinks, reds and even terracotta and many good two-tones. **Flowers in this** class are often three inches and better across although the mass flower head will not average as large as most of the smaller flowered varieties.

According to the California Bedding Plant Advisory Board little is required for fall maintenance with a cineraria planting once it is started. Plants should be spaced at one foot intervals, with watering usually accounted for by the natural rains. Inspection for aphids infestation should be made regularly and once in a while white fly or leaf miner will need to be checked.

Polio Treatment Center Being Set Up In Alameda Co.

Miss Eleanor McGuire, director of nursing services, National Foundation for Infantile Paralysis, has just concluded a special two-day study of polio patients in Santa Clara County, it was revealed last night by Joseph A. Chargin, chairman of the local polio chapter's advisory board.

While in San Jose Miss McGuire visited the polio ward at the County Hospital and also talked with patients now convalescing in their homes. She conferred with Dr. Milton Chatton, County Hospital head, and other doctors working on polio cases.

Miss McGuire revealed the establishment of a polio rehabilitation center in Alameda County called "Fairmount". Presently equipped with 50 beds it is expected that Fairmount will eventually handle many severe Northern California patients similar to the work done at Rancho Los Amigos in Southern California. Both are financed through large grants made possible by the annual March of Dimes campaign.

Chargin, after talking with Dr. Chatton, also announced that a young San Jose mother, confined to an iron lung for the better part of the last nine months, will return to her home and two year-old daughter in the next few days, possibly Wednesday.

Mrs. Shirley Vail, 18, became afflicted with the dread disease on January 6 of this year. Her little daughter had had a mild polio attack two weeks previously. Mrs. Vail's condition was such that iron lung treatment was required until almost a month ago.

In August Mrs. Vail surprised and pleased everyone by an almost phenomenal recovery that liberated her from her iron lung. Chargin stated that the local polio chapter thus far has spent close to $7,000.00 in nursing care for Mrs. Vail, including the purchase of a wheel chair. The chapter will continue to furnish money for therapy and braces. Mrs. Vail will go to the home of her parents, Mr. and Mrs. Raymond J. Minnette, 1824 Kammerer, San Jose.

Nurse's Club Takes Shape

On October 6, twenty-eight girls met with advisor Miss Crowe, in Room 55 after school for the second meeting of the new nurses' club.

Campbell High was chosen by the California representative of the National League for Nursing as a suitable location for a nurses' club.

The first meeting, held September 29, was announced in all chemistry classes. Since eighteen girls attended the meeting, it was decided that enough were interested in the new club to make it worth while.

The newly elected officers are: President, Carol Brown; Vice President, Alda Pimental; Secretary-Treasurer, Harriette Campbell. The new prexy then announced that the club would be named at the October 14 meeting.

Among some of the activities planned for the year is a trip to the County Hospital. The club also hopes to have several nurses and doctors speak to them at some of their meetings.

KEN WALLACE SAYS NEW PLAY IS SPECTACULAR

Ken Wallace, drama director for the Campbell Union High School said today that he was pleased with the first student talent show of the year which is to go before the footlights here on Thursday and Friday evenings, November 4-5. Tryouts are continuing all of this week.

"Hey There", is the title of the new production and it is to feature every kind of a dance from ballet to bop, every kind of music from Rochmaninoff to Rogers and Hart.

For the first time the new Puppet Club of the school will offer two original skits. The full high school orchestra and choir will also be presented in numbers, Wallace said.

The entire second half of the entertainment for the evening will be another 30-minute play, "The Valiant" said to be a prison-chiller. LeDonna Robertson plays the female information getter who cooperates with prison guards Jim Welker and Russ Cahill to get what she wants from the New England stir-happy prisoner. Ron Trevethan beat out twelve other contestants for the part of prison chaplain, so he must be good as the father of the fence. The Art Commission is already hard at work designing an original New England setting. No preliminaries are planned for the show—only a five minute "teaser" in the assembly of October 19th. Tickets will soon be available from Drama Commission members.

Miss Farley Recuperating

Miss Mae Farley, well known to Campbell High students as Mr. Hill's secretary, was taken to San Jose Hospital, Thursday, September 23. A minor operation was performed the following day and she is now recuperating at her brother's home in Campbell. Miss Farley is expected to be back at her desk in two more weeks.

The Campus Echo Staff, speaking for the student body, wishes Miss Farley a quick recovery and hopes to see her soon.

FUNERAL SERVICES FOR DERROL CHACE

Funeral services were conducted from Trinity Episcopal Church in San Jose on Tuesday for Derrol Chace, former postmaster and leader of the Republican party in the county. He was assistant manager of Associated Oil Company at San Jose.

GRANGE DISPLAYS 61 AWARDS WON BY KEESLING FAMILY FOR LOCAL FRUITS

The Civic Auditorium at San Jose is expected to be packed next Monday evening as the California State Grange convention opens, it was announced Tuesday evening at a meeting of Orchard City Grange by John Gordon, district deputy. There are over 60,000 Grange members in California. Sessions begin at 8:30 Tuesday morning.

Mervin Keesling reported that at the Thursday night meeting the Pomona Drill team will present one of its outstanding performances. Keesling, presented by Lecturer Josephine Biller, showed the 61 first, second and third place ribbons won at the Fair last month for exceptional fruit such as peaches, cherries and strawberries as well as preserves won by the Keesling family. In the last nine years the Keesling orchards in Campbell have won 403 ribbons.

Gordon B. Soultice of San Jose spoke on hobbies as the best solution to child delinquency problems. Park Howard explained methods used in making Christmas candles while Mrs. Marge Huff talked about leathercraft, Earl Huston told of children's hobbies such as model aeroplanes and boats, saying that children from three years on can become interested in these hobbies.

Philip Foegle reported on the Grange business organization.

It was announced by the Lecturer that at the next meeting, October 26 will call for potluck dinner at 6:30 followed later by a costume party.

At the meeting Tuesday, presided over by A. J. Emery, Grange Master, the refreshments were served by Mr. and Mrs. H. A. Weitzel who were assisted by Mrs. Myrtle Elder and Mrs. Ida Curry. There were four visitors present from Live Oak Grange in Santa Cruz.

Martin Walshes Saw Hurricanes, Floods On Trip

Judge and Mrs. Martin S. Walsh are back in their Budd Avenue home after forty days travel through twenty-one states and four Canadian provinces in which they went 9102 miles by car and 5000 by air.

Flying to Pontiac, Michigan they took delivery of a new car, then things began to happen. They were the toast of the town at Moncton, Canada as the 26,000th visitor; they saw Quebec and the judge attended a Kiwanis meeting in a turreted castle at Montreal; they saw how a tornado had ripped through the New England States smashing trees through house roofs; they flew to Bermuda and Nassau, drove to Key West, were delayed two days at Washington, D. C., as hurricane Edna passed by and were in a 4½ inch deluge one day at Louisville, Kentucky.

Texas seems prosperous and its streets were good, but California looked best of all. At Moncton the Walshes were allowed to sign their names immediately below those of the Duchess of Kent and Princess Alexandra in the city's guest book. They were taken to Magnetic Hill where some strange power seemed to make their car run backwards, uphill. They had free lodging and meals and given a tour of the city before going on their way. The judge took pictures which he expects to show at the next meeting of the Kiwanis Club.

Silver Antelope Award To Scouter

Marshall S. Hall, an active Scout Leader of the Santa Clara County Council, Boy Scouts of America, for many years, was presented with the Silver Antelope Award at the Annual Regional Meeting held at the Palace Hotel in San Francisco last Saturday. The Award is the highest recognition possible for a volunteer Scouter on a Regional level and is presented for noteworth service of exceptional character to Boyhood within the territory under the jurisdiction of a Region. Mr. Hall is now an active member of the Regional Committee of Region 12 and has been an active member for six years.

Mr. Hall became interested in Scouting first as a Boy Scout for four years and attained the rank of Life Scout. He later served as an acting Scoutmaster and Committeeman of a local Scout Troop. For the past 18 years, Mr. Hall has served as a member of the Executive Board of the local Council, spending three years of this time as the Council President. He has served as Sea Scout Commodore, National Council Representative and an active member of the Council Camping and Activities Committee. In 1945 the Silver Beaver Award was presented to Mr. Hall for outstanding service to Youth on a Council level.

A large delegation of local Scouters were in attendance at the Regional meeting and participated in the recognition ceremony of the Silver Antelope.

Santa Clara May Annex Large Site

Santa Clara's latest annexation move involves the rumored site of an 800-home project.

Filed with the County Boundary Commission Tuesday was a map for El Camino No. 15, which takes in a plot of land between Bowers Lane and the Campbell Creek.

The area is connected to the Santa Clara city limits on El Camino Real by a gooseneck strip. The plot is south of El Camino Real.

Contractors for the rumored subdivision would not comment on their plans for the area.

The land is owned by United California. .

Highlights of events of the National Convention of Republican Women, held in Los Angeles in September, was given to the Campbell Council of Republicans by Mrs. George Ninnis and Mrs. Hugh Whistler at the regular monthly meeting, last Wednesday, held in the home of Mrs. G. F. Fickle on Woodard Drive.

Guest speaker was Robert Davis of Palo Alto, a member of the County Republican Central Committee. He spoke on the necessity of giving President Eisenhower a Republican Congress in November in order that work begun by the administration may be completed. He also pointed out the many accomplishmens of this Republican Administration, namely; the ending of the Korean conflict, the two-thirds reduction of the national budget, and, the 216,243 unnecessary federal jobs abolished.

Mrs. Hugh Whistler, president of the Council, urges all Republican women who are interested in doing something to further work of the party to contact her at her home.

While refershments were being served, a silent auction was held which proved to be very successful.

FUND STARTED FOR CAMBRIAN YOUTH CENTER

The Cambrian Park Improvement Association has deposited $386.04 as a new fund earmarked for a Youth Center there. This sum was a part of net profits from the Cambriana carnival held September 11 when $1,274.50 gross was taken in leaving a $514.72 net profit of which sum the CPIA had agreed to give 75 percent to start the youth center fund. Mrs. Patti Mathewson was carnival chairman.

Improvement association has sent letters to organizations in the Cambrian Park area asking help in forming a committee to govern the funds and plan the center. A Youth Fund Committee composed of representatives of these organizations will be established as soon as response to the letters is known.

CPIA plans additional events to help raise funds.

Next event will be a "Cotton Hop" dance to be held at 9 p. m. Oct. 23 at Ye Olde Fun Farm on Almaden road. Mrs. Mathewson announced.

The hop, which will include square and ballroom dancing, is open to the public, but tickets will be limited because of available space, she said. Tickets may be purchased from Mrs. Mathewson by telephoning FRanklin 8-0982 or at the dance.
